Providers may be doctors, hospitals, pharmacies, home health agencies, laboratories, free standing ambulatory surgical centers, medical supply companies, physical therapists and occupational therapists.

- ❑ If you are uninsured, the Program pays the provider for the breast and/or cervical cancer diagnostic or treatment procedures you received
- ❑ If you have Medicare or commercial insurance your provider will bill your insurance first
- ❑ If you are covered by Medicare or commercial insurance, the Program will pay for:
 - Your patient co-insurance amount and any co-pay
 - Your annual deductible if it has not already been met
 - Services related to breast and cervical cancer that are not covered by Medicare or commercial insurance

- The Program ONLY covers services related to breast or cervical cancer.
- You must use Program providers.
